**WESTERN TIMOTHY HAY**
The Exotic Animal Vet’s High Fibre, Low Calcium Hay Choice
Timothy’s high fibre, low-protein and low calcium content is credited with helping prevent obesity, maintaining a healthy urinary system and improving overall health. And bonus - they LOVE it!

- 425g RRP $19.50
- 1.13kg RRP $45.00
- 4kg RRP $130.00

**ORCHARD GRASS HAY**
Another Healthy, Long-Strand Grass Hay from Oxbow
Just like Western Timothy, soft-textured Orchard Grass Hay is high in fibre, low in protein and supports the health of small herbivores by stimulating digestion, preventing obesity and making mealtimes more appealing.

- 425g RRP $19.50
- 1.13kg RRP $45.00
- 4kg RRP $130.00

**HARVEST STACKS**
Timothy in a Soft Compressed, Cost Effective Pack
Oxbow’s special compression technology can transform 100% all-natural, long-strand, hand-sorted Western Timothy Hay into compact, easy to pull apart and convenient-to-feed portions which produce 80% less airborne dust than loose hay. Feed Harvest Stacks as a primary hay source or supplement with loose hay to encourage enrichment.

**BOTANICAL HAY**
Oxbow’s Blend of Western Timothy, Chamomile, Lemon Balm, Lavender and Clover
A rich blend of herbs combined with Oxbow’s fabulous Western Timothy Hay (est. 5% herbs, 95% Timothy) to stimulate your pet’s appetite for hay and to create an aromatic change in their pet’s habitat.

- 425g RRP $21.00

**OAT HAY**
Harvested before the Oat Develops into a Seed- the Way They Need it!
Oat Hay, like all grass hay, meets the nutritional needs of herbivores with high fibre and low protein. This appealing alternative contains savoury husks full of both flavour and fibre, making it a favourite for many pets.

- 425g RRP $19.50

**HAY BLENDS**
Hand selected Western Timothy and Orchard Grass blended to create the perfect taste and texture.
Your pet should have unlimited grass hay every day. Small pets enjoy and benefit from variety in their daily diet. That’s why we’re so excited to offer our Hay Blends.
Your pet rabbit, guinea pig or chinchilla is sure to love this enriching blend of premium Oxbow hays.

CRITICAL CARE FOR HERBIVORES

Oxbow’s complete, grass hay based, “assisted feeding” formula for rabbits, guinea pigs, macropods, wombats, possums, koalas and other herbivorous mammals and reptiles that aren’t eating due to illness or surgery.

“The use of Critical Care has reduced the mortality rate among critically ill rabbit and guinea pig patients by at least 40%. I would not practice rabbit or guinea pig medicine without this product on my shelf.”
Dr Gregory Rich, DVM, West Esplanade Animal Hospital, New Orleans

“Fortunately in Australia we now have access to the critical care feeding formula for herbivores used in North America and Europe, e.g. Oxbow’s Critical Care for Herbivores. This product comes highly recommended by the author.” Dr. David Vella, North Shore Veterinary Specialist Centre, NSW
